## This collection is characterised by:

**01/** Used in Executive, Desking-Bench and Meeting versions. **02/** 3 typologies of metal legs available for this system. **03/** Desk legs height can be selected between h 62.5 and h 82.5 cm). **04/** Bridge-like legs resting on service units. **05/** Legs at height 105 cm for Team tables (seating/standing). **06/** System of trays for wiring under the top. **07/** Wire Manager options for benches central legs. **08/** Sliding top panels for inspections of cables under the top. **09/** 5 typologies of screens, designed to hang accessories. **10/** Accessory bars in extruded aluminium, 4 finishes available. **11/** Top-Access with finishes integrated in the metal frame. **12/** Auxiliary wiring with clips, no drilling needed. **13/** 5 finishes available for the metal frames. **14/** 3 wood finishes and 4 plain colours for the worktops. **15/** 3 wood finishes and 5 plain colours for melamine-finished storage units. **16/** 3 colours available for glass worktops. **17/** Fabric finishes matching the seating collection.

## Collection characterise par :

**01/** Utilisation en version Executive, Desking-Bench et Meeting. **02/** 3 typologies de pieds en métal disponible dans ce système. **03/** Pieds avec options pour la hauteur (h 62,5-82,5). **04/** Pieds à pont en appui sur les meubles de service. **05/** Pieds à hauteur 105 pour tables Team (assis/debout). **06/** Système de passage des câbles sous le plateau. **07/** Option Wire Manager pour les pieds centrales des Bench. **08/** Système à plateaux coulissants pour l'inspection des câbles sous le plan. **09/** 5 typologies d'écrans pour le fixage d'accessoires. **10/** Barres pour accessoires en aluminium extrudé en 4 finitions. **11/** Accès supérieur avec finitions intégrées avec la structure en métal. **12/** Électrification auxiliaire appliquée avec pinces sans perçage. **13/** 5 finitions pour les structures en métal. **14/** 3 finitions en bois et 4 couleurs pleins pour les plateaux. **15/** 3 finitions en bois et 5 couleurs pleins pour les rangements en mélamine. **16/** 3 couleurs pour les plateaux en verre. **17/** Finitions en tissu en combinaison avec la collection de chaises.

**Tavoli eleganti e di grande funzionalità che favoriscono riunioni fortemente operative. Grande attenzione è riservata al corretto cablaggio, garantito da vaschette centrali passacavi, top access in identica finitura dei piani e gambe centrali con Wire Manager di risalita cavi.**

Highly functional elegant tables, perfect for highly operational meetings. Great attention has been dedicated to wiring, made easier by central cable trays, top access in the same finishing as the tops and central legs with Wire Manager system.

Tables élégantes et à grande fonctionnalité idéales pour les réunions fortement opérationnelles. Grande attention dédiée au câblage, assuré par les plateaux centraux pour le passage des câbles, par l'accès du haut dans la même finition des plateaux et par les pieds centraux avec système « Wire Manager » pour la montée des câbles.

→ Gamba centrale di risalita cavi Wire Manager con pannelli apribili.

Central leg with upwards Wire Manager system with inspectable panels.

Pied central pour la montée des câbles avec « Wire Manager » et panneaux ouvrants.

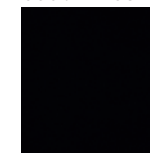

**Quando la riunione operativa è veloce e consumata tra le postazioni, l'esigenza di tavoli alti e protetti diventa una priorità.**

During fast operational meetings held between workstations, the need for high and protected tables becomes a priority.

Pour les réunions opérationnelles et rapides, des tables hauts et protégés deviennent prioritaires.

**Il lavoro agile prevede modalità operative spesso indipendenti dalla postazione personale. L'incontro, il confronto, il lavoro operativo collegiale, richiedono dotazioni particolari e tavoli che consentano vicinanza, sicurezza sanitaria e perfetto cablaggio.**

Agile work develops through operating modes that are often independent of individual workstations. Meetings, discussions, shared operations require specific equipment and tables to allow proximity, health safety and perfect wiring.

Le travail agile prévoit des modalités opérationnelles qui sont souvent indépendantes du poste individuel. Pour se rencontrer, discuter et travailler ensemble on a besoin d'équipements particuliers et de tables qui permettent proximité, sécurité sanitaire et câblage impeccable.

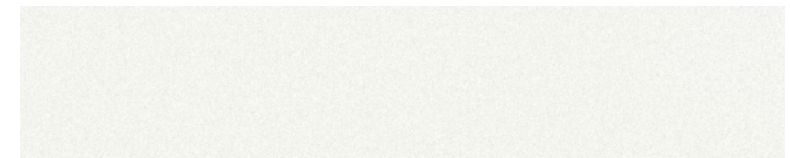

**La scrivania direzionale viene interpretata in modo moderno, mantenendo logiche estetiche e funzionali coerenti con la versione operativa.**

Executive desks are interpreted in a modern way, maintaining aesthetic and functional logics, consistent with the operational version.

Le bureau de direction est interprété de manière moderne, en maintenant des logiques esthétiques et fonctionnelles cohérentes avec la version opérationnelle.

→ Gamba loop in finitura cromo.  
Chrome-finished ring frame leg.  
Pieds « loop » en finition chromée.

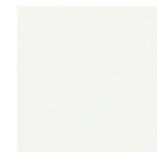

**Le nuove dinamiche del lavoro agile interessano anche gli uffici direzionali che variano la loro immagine e richiedono funzionalità diverse e una maggiore praticità d'uso. Gli allestimenti diventano più sobri ed informali, le scrivanie si alleggeriscono nelle misure, nei colori e nelle dotazioni.**

New agile work dynamics also affect executive offices that change their image and require different functionalities and higher usability. Furnishing becomes more informal and sober, desks become lighter in their dimensions, colours and accessories.

La nouvelle dynamique du travail agile rentre également dans les bureaux de direction, qui changent leur image et demandent des fonctionnalités différentes avec une plus grande facilité d'utilisation. Les environnements deviennent plus sobres et informels, les bureaux se font plus légers dans leur dimensions, couleurs et accessoires.

cod. 79

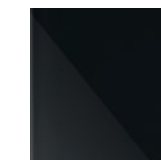

**I piani di lavoro in vetro retro laccato conferiscono grande eleganza alla scrivania ed al tavolo riunioni. La brillantezza del piano si abbina perfettamente a quella della struttura nera opaca. Un ulteriore livello di pregio di materiali ed abbinamenti per un direzionale moderno ed elegante.**

Back-lacquered glass worktops make desks and meeting tables more elegant. The worktop brightness creates a perfect match with the matt black frame. A higher level of materials and combinations for modern and elegant executive workspaces.

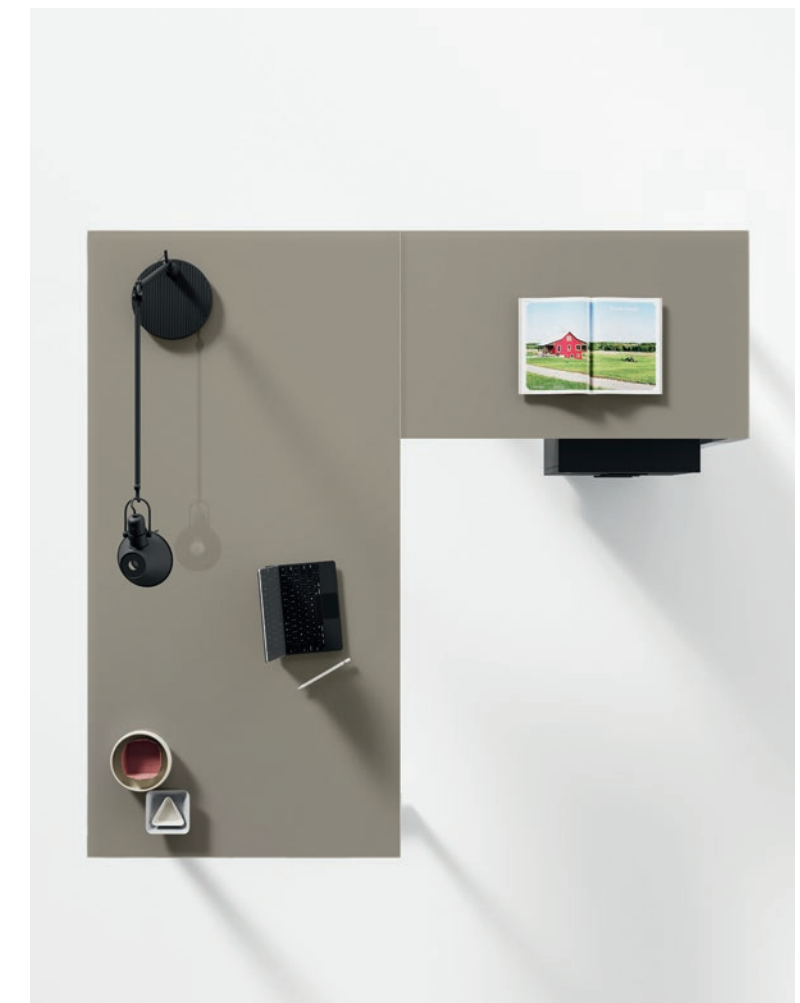

Les plans de travail, en verre rétro-laqué donne élégance au bureau et à la table des réunions. La luminosité du plateau s'intègre parfaitement à celle de la structure noire mate. Un ultérieur niveau de prestige dans les matériels et les combinaisons pour un bureau de direction moderne et élégant.
