

Grace

by Krystian Kowalski

The Grace furniture family includes sofa, armchair and two tables – featuring sleek design and thoughtful proportions, it graces every room.

Thanks to the combination of distinct seat lines and minimalist frame style it gains a sculptural character. Available in a variety of finishes, this line provides a wide spectrum of arrangement possibilities. That's why not only does the Grace sofa work well in a spacious lobby

of skyscrapers but also in a tiny home office. When combined together, sofas and tables create a lounge area infused with a touch of elegance. Thoughtfully chosen seat materials ensure high comfort of use.
