WORKSPACE SOLUTIONS

Natural Elegance

Cosiness in simplicity

A photograph of a minimalist wooden desk. On the desk, there is a silver laptop with a black screen, a dark grey notebook, and a black pen. A small potted plant with green leaves and round fruits is also on the desk. The text "SIMPLE AND CONVENIENT USAGE" is overlaid in large, white, sans-serif capital letters across the center of the image.

ANTI-COLLISION TECHNOLOGY

MOTION Executive desks include an exceptionally sensitive gyroscope-based anti-collision function.

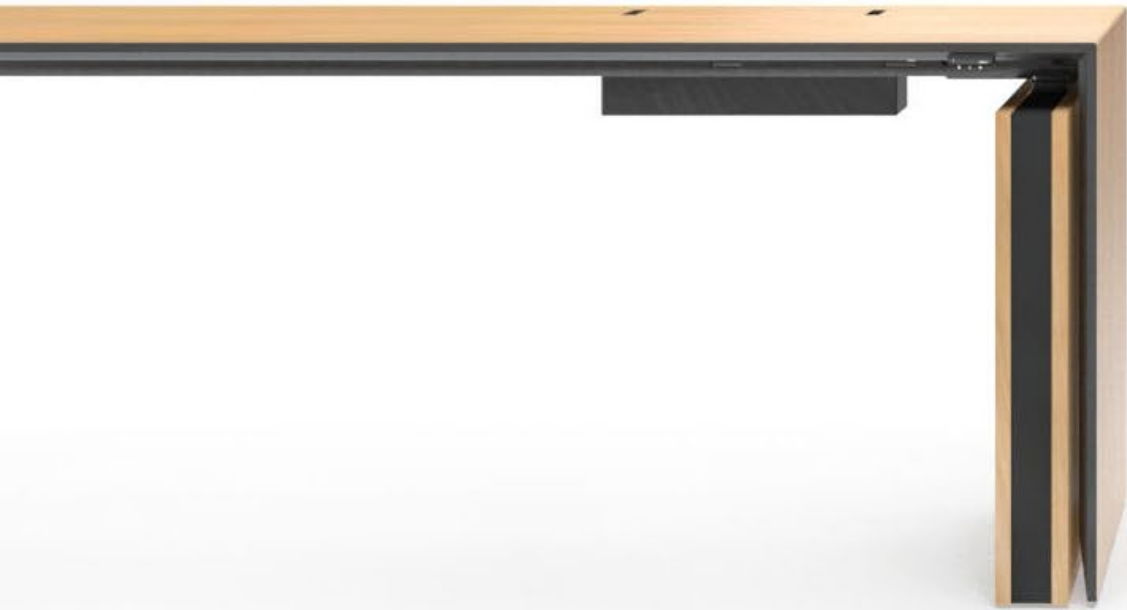

This technology helps reduce damage in case the desk encountered an obstacle during vertical movement.

SIMPLE CONTROL

- Convenient height control via button or remotely (via Bluetooth, through a smartphone app)
- Memory function
- Reminders to change one's posture

Range of movement

MAX
1200 MM
