LOUNGE SEATING

„One of the distinguishing features of an island is the natural protection. An island is a fortress, a castle in the middle of the sea.“

Adriano Baldanzi

„Here it is, our fortress in the archipelago. A space where you can rediscover a calm, reserved place where you can find concentration and privacy, a workplace protected from the surrounding space, where you can have meetings and work far away from the noise around you.”

Baldanzi & Novelli Designers

ARCIPELAGO Wood

This office lounge seating will allow you to create “a room within a room” in open-plan offices. It will act as a shield from a surrounding noisy environment.

Variety of

combinations

Aesthetic design,
smooth shapes
and natural
elements bring a
sense of warmth
to the office.

Adaptability

This lounge seating is ideal for multiple uses: brief tasks or longer work sessions, meetings, teamwork or relaxation.

Comfort

High panels serve as barriers shielding employees from background noise while comfortable seating creates a laid-back and private environment.

Functionality

The seating unit can accommodate a monitor screen for convenient presentation of information during business meetings. The table is equipped with a power socket with integrated USB type A and C connectors for any work devices to make sure you never run out of energy.

Variety of combinations

The use of natural elements and specific colours has a positive effect on productivity and mood of employees.

ARCIPELAGO Wood is a harmonious combination of oak veneered plywood and upholstered elements. Our wide colour palette allows you to choose colours that best fit your office style.
