

# MEDIA

UNITS

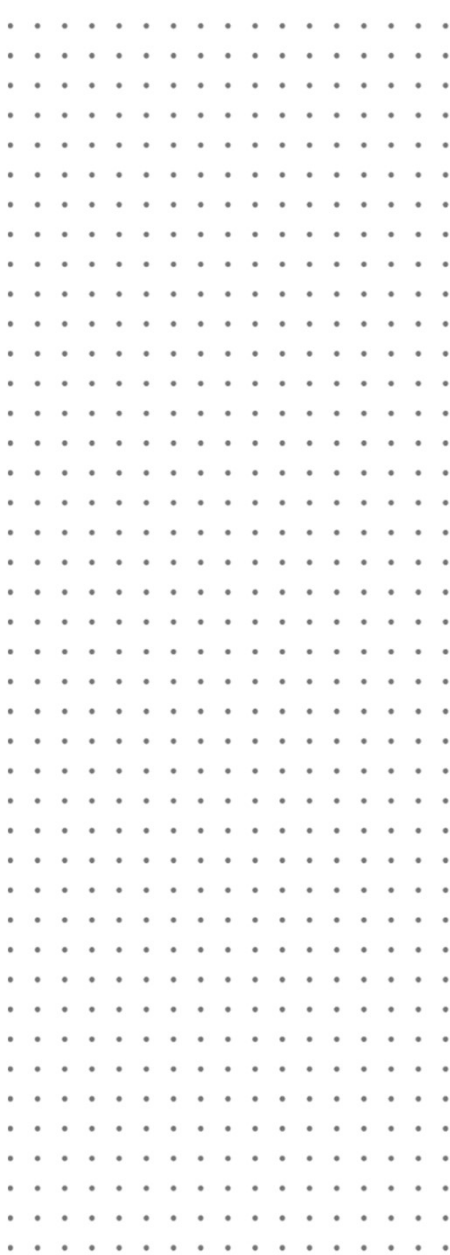

narbutas

# MEDIA

is a smart solution  
to integrate today's  
technology into  
your meeting  
areas.

narbutas

- 
- A decorative graphic consisting of a grid of small dots, arranged in approximately 20 rows and 20 columns, located on the left side of the slide.
- Easy and fast assembling - “metal to metal” fixing;
  - Different types of media units to fit your needs;
  - All media units are with height adjustable VESA mount;
  - Integration possibility for a flat screen (TV or computer) along with media and data technologies.
