3. Electric cable:

- 230 V. L 1.5m
- EU, UK

1200x1200, H=710-1210

1. Tabletop:

- MFC 25mm with 2mm ABS edge;
- Color – white;
- 8mm gap between the tabletop and the legs (distancers are always black).

2. Legs:

- Metal tube 70x20x2mm;
- High levelling feet. Always black;
- Powder coated; white or black.

3. Frame:

- Metal profile 35x35x4mm;
- Powder coated; color the same like the legs.

1800x700, H=900/1030

1. Tabletop MDF 25mm (bevelled edge around):

- dark gray marmoleum; edge black lacquered;
- white-CPL; edge white painted;

1.1 Tabletop MFC 25mm, with 2mm ABS edge; white.

2. Metal frame:

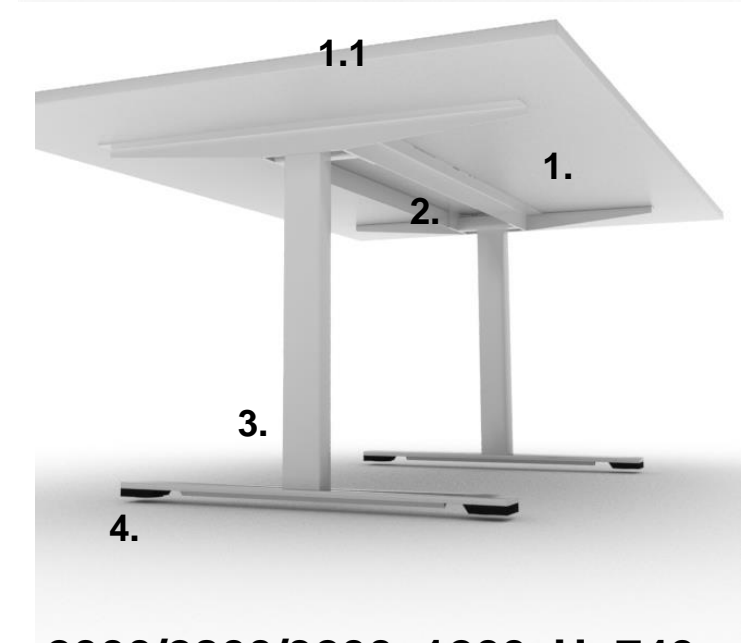

- Metal “L”profile: 50x50x3mm;
- Powder coated metal.

3. Leg column:

- Dimensions (mm) : 50x80x686H;
- Powder coated metal. Colors black and white

4. Leg base:

- A leg base made of 12mm thick steel sheet;
- Dimensions 70x800x30mm.
- Leg base has height leveling feets;
- Leveling feet covers made of black lacquered MDF;

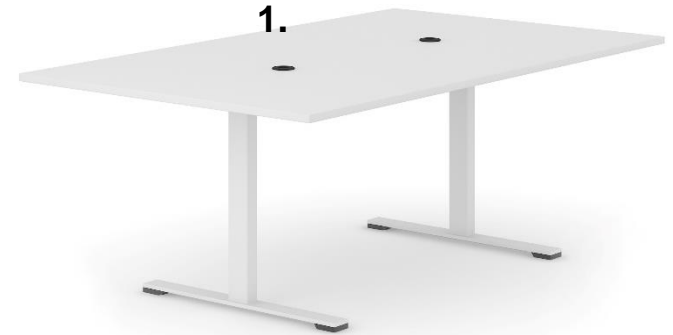

2000/2800/3200x1200, H=740

1. Power sockets (included/ part of the desk):

- By OE ELECTRICS (EU, UK, FR, CH).
Tables with concrete base only EU, UK, FR.
- • 1/2 sockets for 230V/110V

2. Cable tray (included/ part of the desk) :

- Tray hides electric installation;
- Dimensions: 920/1120x190x52mm;
- No tools required to open;
- Available in white and black colours

2000/2800/3200x1200, H=740
