MARO Office Furniture

For 30 years, we have been making sure that office work is comfortable and ergonomic. Our furniture demonstrates our professionalism and love for what we do. We are passionate about creating exquisite and functional things and that translates into a quest for new solutions that turn concepts into products at a higher and higher level. Using innovative engineering solutions, we strive for ensuring that our products are top-notch. Our quality has been proved by ISO 9001 and Geprüfte Sicherheit certificates. This is possible thanks to our technology park, where world-class techniques come together under one roof. As a responsible producer, we wish to minimize our ecological footprint and expect the same from our suppliers.

Our Machinery Park guarantees top quality and precision. Thanks to the investments in new techniques and constant search for unconventional solutions, we thrive all the time. We are aware of how valuable the human factor is, therefore some elements of our furniture are hand-made. Gluing the carcasses of curved counters is a job where the human has an advantage over the machine. However, where surgical precision and repeatability in short time are necessary, we take advantage of the latest technique. Wood processing center drills, mills and processes the edges with utmost precision. The quality of our furniture is based on hundreds of trials and tests, thanks to which we are certain that we are second to none

Tables Idea

This is a collection of high tables for quick, standup meetings. A wide range of dimensions enables to fit a table even in the most limited spaces and provide room for casual conversations.

Idea tables are perfect for social areas, and they also create optimum conditions for individual work in a quiet zone.

The collection also features two mobile tables: Idea H Mobile and Idea A Mobile.

TOP

- Chipboard coated on both sides with melamine resin with increased durability - 1st class.
- Chipboard with reduced formaldehyde emission, E1 standard.
- Top finished with 2 mm thick ABS plastic edge with 3 mm radius.
- Chipboard top 25 mm thick only.

Idea H / H Mobile

- Frame made of profiles with a rectangular cross-section 25x50, powder-coated.
- Straight legs.
- Mobile version is equipped with 4 braked castors Ø 75 mm.
- Brushed stainless steel footrest with a 20x40 mm profile.

HEIGHT ADJUSTMENT

- Fixed height 1100 mm.

Idea S

- Central leg with a round cross-section 80 mm on a plate. Powder-coated leg and plate.

HEIGHT ADJUSTMENT

- All Idea tables have fixed height 1100 mm and leveling feet +10 mm.
- Idea S is available in two height options: 1100 and 740 mm (no leveling feet).

Idea O

- Double top.
- Undertop shelf made of 25 mm board.
- Single, metal, powder-coated legs.
- Leveling feet +10 mm.

Idea T

- Shelf for documents or a laptop located 150 mm under the top, accessible from both sides.
- Powder-coated legs made of a square cross-section profile 65x65 mm.
- 480x480 mm foot.

ADDITIONAL INFORMATION

- Colors according to MARO offer!
- Netbox can be located on the right or left side or in the center of the top!

Idea P

- Frame made of profiles with a rectangular cross-section 25x50, powder-coated.
- Panel legs, 25 mm thick.
- Brushed stainless steel footrest with a 20x40mm profile.

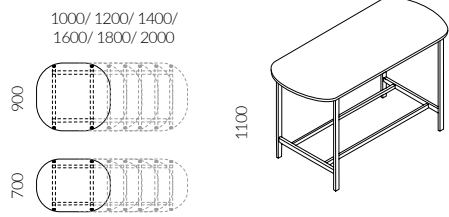

Idea A / .Idea A Mobile

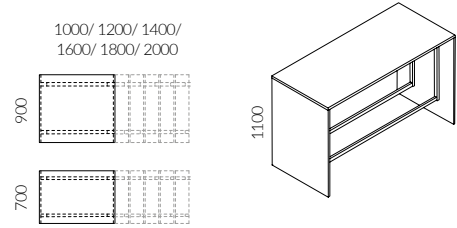

- Frame made of profiles with a rectangular cross-section 25x50, powder-coated.
- A-shaped legs angled at 9°.
- Mobile version is equipped with 4 braked castors Ø 75 mm.
- Brushed stainless steel footrest with a 20x40 mm profile.
